RE: 3525 Gravier St. Demolition Request

Dear Members of the Neighborhood Conservation District Committee

The Mid-City Neighborhood Organization has developed a strict policy to assess demolition requests. This policy requires that MCNO consider the architectural significance of the structure and the impact of its removal from the historic streetscape. In the case of 3525 Gravier St. near neighbors have shown overwhelming support for demolition and have deemed that the property presents a clear and serious danger to the surrounding properties and residents.

On these grounds, the MCNO Board has voted to SUPPORT the requested demolition as recommended by City Code Enforcement.

Sincerely,

Bonnie Garrigan
